

# Tejaswini Mukkapati

Analyst/Software Engineer

**Base Location:** Hyderabad

**Email ID:** tejaswini.mukkapati@capgemini.com

**Mobile No:** +91 7997698148

**Grade:** A4

## Strengths

- Hands on experience in creating web application with Spring Boot, Spring Security, Data JPA.
- Hands on experience in creating traditional and reactive application with Visual Basic.
- Ready to learn new technologies and implement them to further improve my knowledge.
- Eager to work in a team of dedicated people and serve a key role in the enhancement and development of the project.
- Has working knowledge on Angular and Java Development using Spring framework on an intermediate level.

## Achivement

### Online Plant Nursery Application

Completed end to end case study of Online Plant Nursery Application using Spring boot and React used for user interface. It is a double-role application project i.e. Admin and User, where Admin will have the main control over the system. Admin will be responsible for maintaining the system and also, keeping a check on the availability of plants, and updating any details related to the Nursery Store. On the other hand, Users can register themselves and can do online shopping.
